Reading Lites**

ideas collection

F1874-1

Description

Multifunctional shelf fixture which provides task lighting downward, a strong bookshelf on top, convenience electrical outlets, and sufficient uplighting to the spines of the books above.

Construction

- Ends are cast aluminum; shelf is 16 gauge steel
- Finish is painted to match architect's requirements
- Reflector is white enamel

Electrical

- Fixture is wired for one 17, 25 or 32 watt T8 fluorescent lamp
- Ballast is 120V
- Rocker switch for light on bottom near right end
- Two grounded convenience outlets in top, one near each end

Mounting

Fixture mounts to recessed junction box in back center. Additional mounting holes are provided for direct mounting to wall structure.

Catalog Number

One 17W T8 fluorescent	26"	F1874-1-17
One 25W T8 fluorescent	38"	F1874-1-25
One 32W T8 fluorescent	50"	F1874-1-32

The Cole *ideas collection* presents designs which have been previously furnished as custom fixtures. They are not standard, stock models, but can be manufactured for other jobs as shown or with required modifications.

How to Specify

Select catalog number for length required and specify color.
